January 10th 2019: Valuable Tips on Travel and Internet Safety

We can never have enough information about safety. Being safe from people or situations that cause harm to us helps to maintain sustainability in our lives. Tammy Searle began her initial sleuthing and internet safety due to the fact her daughter was abducted by her dad in 2003. She will share major insights and tips to internet safety. In addition, after being injured in 2011, a friend suggested that she heal from injuries while cruising around the world. After traveling so much and working with the Senior community - she found a great niche to help others. Her class topics have g
