Innovating Leadership, Co-Creating Our Future
Tuesday at 11 AM Pacific
July 23rd 2019: SkillNet: Personalized Learning Framework for Your Company

Current research is showing that upskilling, reskilling, and retention are new mandates for companies to retain talent but it's easier said than done. Trying to use old methods that won't scale or engage users doesn't work so a new approach to personalized training is needed for leaders to retain the level of talent desired. Mike Kritzman of SkillNet shares how leaders can provide personalized training for each of their employees.
