July 24th 2019: **Digital Transformation: Enabling Technologies and New Partnership Models**

The buzz: "There is no alternative to digital transformation. Visionary companies will carve out new strategic options for themselves...those that don't adapt, will fail" (R. Berger). The pace of industry innovation is forcing companies to find new ways to leverage IoT, AI, Machine Learning and other enabling technologies for product development and go-to-market. They're also partnering in non-traditional ways, such as enterprise software companies with cloud hyper-scalers. Who's your partner? The experts speak. Don DeLoach, Rocket Wagon Venture Studios: "We must adjust to changing times and sti
