

Global Business
Wednesday at 9 AM Pacific
October 9th 2019: Data and Data Privacy

Understand how and why there is so much interest in Big Data among enterprises. We will be talking to Amandeep Khurana, Co-Founder of Okera; a big data access management company, about the current state of data technologies and data privacy. We will discuss data privacy and many new regulations like GDPR and CCPA and its impact on enterprises and what they are doing to protect the data of their consumers.
