October 16th 2019: Cyber Investigation Tips and Tricks

Our data forensic experts are a different breed. Financial Forensic Services offers discreet forensic research separate from financial recovery services. Our digital research experts harvest data from public and proprietary databases. They search for news, unknown circumstances, or undiscovered liabilities that may adversely affect the future of the new acquisition. Listen in to hear Joe and his special guest Andy Kindred talk about how their specialized skills in cyber investigation are essential in asset recovery operations. This includes email tracing, exposing cyber-bullies and other preli
