March 6th 2020: Intentional Integrity

Most companies think they have integrity...until they get boycotted, protested and skewered in the press. They'll punish and apologize for lapses but have no clue about prevention. Rob Chesnut is Chief Ethics Officer at Airbnb and knows first-hand what it takes to drive integrity into corporate culture. A former Federal Prosecutor who prosecuted spy Aldrich Ames, he went on to found the Trust and Safety Department for eBay and the integrity training program for Airbnb: two companies with business models dependent on trust that had to invent the rules in the new frontiers of e-commerce and platf

Rob Chesnut is the Chief Ethics Officer of Airbnb, Inc., a role he took on in late 2019 after almost four years as Airbnb's General Counsel. Rob is a graduate of Harvard Law School and the University of Virginia. He worked for 14 years with the U.S. Justice Department, where he prosecuted bank robberies, kidnappings, murder, and espionage cases, including the prosecution of CIA employee Aldrich Ames. He joined eBay in 1999 where he led eBay's North America legal team and later founded the Internet's first ecommerce person to person Trust and Safety operation. Rob subsequently spent nearly 6 years as the General Counsel and first attorney at digital education leader Chegg, where he helped tak
