How can sex toys improve your sex life and increase your pleasure during masturbation and partnered play? Why is it still so taboo to talk about female pleasure and women's health? How are women making an impact in the world of sex tech? In this episode, Lexi Sylver interviews Maureen Pollack, inventor of the Waterslyde and co-owner of Lovability Inc., to explore how masturbating can contribute to greater sexual wellness and discuss how we can eliminate the stigma behind masturbation. They talk about erasing the misconception that sex toys will replace your partner and emphasize the ways in which
