Things Worth Considering
Thursday at 5 PM Pacific /8 PM Eastern
April 1st 2021: Hard-Wired

No one has ever disagreed, there are no studies that contradict the fact that humans are hard wired to connect. Hard wired to connect to each other, but also our pets, like cats and dogs and horses. A child begins to cry when the mother leaves the room and stops upon her return. If we are Hard Wired to connect then why do so many people have such difficulties in forming and maintaining satisfying relationships. Not just marriage but even friendships and with co-workers. Growing up we may have been part of a family that taught us our job was to take care of the rest of the family, or maybe fee
